HABC Level 3 Award in Health and Safety in the Workplace (QCF)

Introduction

This qualification specification is designed to outline all you need to know in order to offer this qualification in your centre. If you have any further questions, please contact your account manager.

Qualification Details

The HABC Level 3 Award in Health and Safety in the Workplace (QCF) has been accredited by the regulators of England and Wales (Ofqual and the Welsh Government) and is part of the Qualifications and Credit Framework (QCF).

It is supported by Proskills, the Sector Skills Council for the process and manufacturing sector

Key facts

QAN:	600/0645/6
Learning Aim Reference:	60006456
Guided learning hours (GLH):	30
Credit Value:	3
Assessment Method:	Multiple-choice examination

Qualification Overview

The Level 3 Award in Health and Safety in the Workplace is aimed at supervisors, managers, team leaders as well as individuals wishing to advance their health and safety knowledge.

The qualification is intended for learners already working in the capacity of supervisor, manager or team leader and also those who are preparing to start work at this level.

Persons gaining this qualification will know that supervisors, managers and team leaders have legal and moral obligations to ensure health and safety within a business, and that this includes obligations to employees, contractors, visitors and suppliers. Its syllabus areas are regarded by the Health and Safety Executive as being important to developing and maintaining safe working procedures in the workplace.

Entry Requirements

There are no prerequisites for this qualification.

It is advised that learners have a minimum of Level 2 in literacy or numeracy or equivalent.

Qualification Structure

This qualification is made up of one mandatory unit, the details of which are included at the end of this document.

Learners must successfully complete the assessment for the unit to achieve the qualification.

The qualification can be taken as a free standing qualification or as part of a wider programme of training.

Assessment Guidance

This qualification is assessed through a 60-question multiple-choice question examination. The duration of the examination is 2 hours.

Successful learners must achieve a score of at least 40 out of 60. Learners will achieve a Merit at 50/60.

Following the assessment, a list of results will be provided to the Centre Contacts stating whether learners have passed or failed. Certificates for successful learners will be dispatched for distribution by the Centre Contacts.

Age ranges

These qualifications are approved for delivery to learners aged 16+

Geographical Coverage

These qualifications are suitable for learners in England, Wales or Northern Ireland.

Tutor Requirements

HABC require that Nominated Tutors have teaching experience and hold a qualification in the relevant subject area.

It is recommended that nominated tutors should have a minimum of a Level 4 Health and Safety qualification from a recognised awarding body together with a training qualification.

Suitable subject area qualifications/experience may include:

- Degree or Dip HE in a related subject such as: Environmental Health, Occupational Health and Safety or one that contains elements of these subjects
- HNC/D in a related subject (as outlined above)
- Level 4 qualification in Health and Safety or equivalent
- NEBOSH Diploma in Occupational Safety and Health
- NEBOSH National General Certificate in Occupational Safety and Health.

Suitable teaching qualifications include:

- Level 3 or 4 PTLLS or above
- Diploma or Certificate in Education
- Bachelors or Masters Degree in Education
- City and Guilds Teachers Certificate or equivalent
- Level 3 or 4 NVQ in Training and/or Development
- Professional Trainers Certificate
- Proof of at least 30 hours of training in any subject

Nominated Tutors should also be able to demonstrate relevant experience and knowledge in a work context and provide evidence of engagement with the subject field and continuing professional development

Reasonable Adjustments and Special Considerations

HABC has measures in place for learners who require additional support. Please see the HABC Reasonable Adjustments Policy.

ID requirements

All learners must be instructed to bring photographic identification to the assessment to be checked by the invigilator/assessor. This instruction should be given ahead of the course/assessment when the learner registers and/or with any pre-course materials.

It is the responsibility of the centre to have systems in place to ensure that the person taking an examination/assessment is indeed the person they are purporting to be. All centres are therefore required to ensure that each learner's photographic identification is checked before they are allowed to undertake the examination/assessment and write the type of photo identification provided by each learner on the Learner List under "Identification Provided". HABC will accept the following as proof of a learner's identity:

- Valid passport (any nationality)
- Signed UK photo card driving licence
- Valid warrant card issued by HM Forces, Police
- Other photographic ID card, e.g. employee ID card (must be current employer), student ID card, travel card.

For more information on learner ID requirements, please refer to section 8 of the HABC Examination and Invigilation Regulations contained within the Core Manual.

Progression

Progression routes could include:-

- HABC Level 4 Award in Health and Safety in the Workplace (QCF)
-
